

# **March Madness**

## **Wagerr Pick'em Rules**

### **Objective**

Predict the sequence of winners for the NCAA March Madness Tournament 2022 and win great prizes.

### **Conditions and Requirements**

Brackets must be submitted via wagerr.com sportsbook account. Creating an account is free (minus the transaction fee).

### **Free brackets**

Each account can submit up to two bracket predictions.

### **Submission deadline**

Thursday, March 17, 2022 12 noon EDT (observing DST)

Thursday, March 17, 2022 16:00 UTC

Brackets submitted after the deadline (or after the first game starts) are not eligible for prizes.

## **Prizes**

### **Grand Prize: 1 million Wagerr (WGR) + 1 Bitcoin (BTC)**

The grand prize is awarded for a perfect bracket submission. A perfect bracket is defined as an accurate prediction of the complete sequence of winners from the "Round of 64" to the official winner of the National Championship.

### **Leaderboard Prizes**

All valid entrants also compete for rewards based on the number of points for each successful prediction. The leaderboard shows the point progression of top competitors.

### **Rule Details**

#### **Tie-breakers**

If two winners have identical bracket submissions, but different score predictions for the final game, the submission with the point total closest to the actual championship game point total wins.

#### **Multiple Winners**

If there is more than one perfect bracket submission, the grand prize and leaderboard points prizes will be split among the winners.

#### **Transparency and Authentication**

This is a provably fair competition. All valid bracket submissions will be encoded on the Wagerr blockchain for verification and transparency. A perfect bracket earns major bragging rights. By encoding each bracket
